Dear Parents/Guardians,

The work attached to this letter is your child's attempt at creating their own melodic composition. Much like writing a story, this is a skill that needs to be developed and practiced using various strategies that we learn in the music room. This assignment is a review of concepts learned last year in music and is being used as a diagnostic assessment.

Here is what you should do:

1. Have your child explain what they created and how they created it
2. Have your child sing the song that they wrote using hand signs to show pitch high
3. Sign this letter
4. Have your child bring it back to the music room for credit.

Here is how I score the assignment & singing

Scoring Guide	
4	Fluent with no errors (wow)
3	Fluent with 1 or 2 errors (Yes, but...)
2	Help was needed (Sorta got it)
1	More practice needed (not yet)
